Coronavirus: How to reduce the risk of an infection

ÖSTERREICHISCHES ROTES KREUZ

Frequently clean hands by using soap

When coughing and sneezing cover mouth and nose

Avoid close contact with anyone showing flu-like symptoms

Contact the hotline **1450** if you have a fever or if you are coughing and have been in one of the at-risk areas within the last 14 days

Only use face masks if you are sick or if you are taking care of sick people

Before contacting the hotline **1450**, please organise a German-speaker to translate

ÖSTERREICHISCHES ROTES KREUZ

Aus Liebe zum Menschen.
